Kwik Kar by the Lake is offering our customers an opportunity to fulfill a required need (a vehicle oil change) and at the same time contribute to one of the customer's favorite local non-profit organizations.

For each designated oil change, Kwik Kar by the Lake (Jan and Mark Welp) will contribute **\$5** to the charity of the customer's choice. All the customer has to do is tell the cashier that they support one of the listed organizations, no coupons, no fuss, no mess. At the end of each month a check will be sent to the organization.

At the current time organizations that are participating include:

- For the Love of the Lake
- Sanger Elementary PTA
- St Bernard Clairvaux School
- Lakehill Preparatory School

We hope to add more schools and organizations.

As a disclaimer, discounts for oil changes can not be used in addition to this contribution. Other discounts for services and/or gift cards can be used.

Thank you.

Mark and Jan Welp
