

ESC ORIENTATION AND GUIDELINES

Mission Statement

The programs of the Alice and Erle Nye Family Environmental Science Center inspire students to become stewards of the environment by building awareness, furthering understanding, and leading students to make environmentally sound decisions based on their expanded knowledge of the world in which we live.

Program Outline:

- K Awesome Animals**
- 1 Beautiful Birds**
- 2 Incredible Insects**
- 3 Productive Plants**
- 4 Tremendous Trees**
- 5 Sensational Soil**
- 6 Wonderful Water**
- 7 Tree Trails**
- 8 Environmental Potpourri**

Dress Code:

- Long pants/jeans (no leggings)
- Green field trip t-shirt

Closed-toe shoes and socks (shoes will possibly get muddy and scratched)

Schedule:

- Posted on RenWeb calendar and www.lakehillprep.org
- Updated as needed
- Hats and jackets for outdoor activities

The parents of students out of Dress Code will be notified. Parents may bring a change of clothes to school for their child. Students who are not in dress code will remain on campus.

Website:

- www.lakehillprep.org-->Academics-->Alice and Erle Nye Family Environmental Science Center-->General Information

Transportation:

- Lakehill buses will transport all classes to the ESC.
- Buses are driven by a licensed Lakehill driver.
- Seatbelts will be worn by all students.
- Parents may not drop off or pick up their student at the ESC.

Medications:

- Medications on file at Lakehill are transported to the ESC.
- Medications will be returned to the main campus at the end of each visit.

Lunch:

- Lower School students need to bring a ***disposable sack lunch*** on ESC days. Please know that microwaves are not available for heating food.

Photography:

- Photos of each class will be submitted to SmugMug within a week of the class.
