

LAKEHILL PREPARATORY SCHOOL DRESS CODE

The Lakehill Preparatory School Dress Code allows students to wear their choice of comfortable clothing while encouraging them to learn how to dress for their future endeavors in the professional world. Parents should prevent students from wearing clothing with offensive images or language or from wearing clothing with images or language depicting or advocating violence or the use of alcohol or drugs. Lakehill wants to ensure that all students are treated equitably regardless of gender/gender identification, sexual orientation, race, ethnicity, body type/size, religion, and personal style. Additionally, we strive to maintain a safe learning environment in classes where protective or supportive clothing is needed, such as in chemistry/biology (eye or body protection), PE/sports (athletic attire/shoes), or at the ESC (long pants and closed-toe shoes).
