Summer Camps Guide 2019

June 3 - August 2

lakehillprep.org

(Revised on February 14)
Leading to Success.

Lakehill Preparatory School is an academic community dedicated to the whole student. Lakehill combines a robust, college preparatory curriculum with opportunities for personal growth, individual enrichment, and community engagement. From kindergarten through high school, every Lakehill student is encouraged to strive, challenged to succeed, and inspired to excel.

Our Mission: Lakehill Preparatory School guides motivated students to learn with curiosity, lead with confidence, and serve with compassion. Our challenging and nurturing educational community inspires students to become collaborative problem-solvers who lead with integrity.

Lakehill Preparatory School does not discriminate on the basis of race, color, gender, orientation, religion, or national or ethnic origin.
Welcome to Lakehill Preparatory School Summer Camps 2019!

Lakehill Summer Camps offer programs for boys and girls entering kindergarten to twelfth grade, with weekly sessions beginning June 3 and ending August 2 (excluding Thursday, July 4).

From science, filmmaking, and outdoor adventure to academics, performing and visual arts, and sports, you’ll find camps that will turn summer into a learning adventure for your child. Take a look at our new offerings this year in STEM, sports, technology, and more!

Lakehill Summer Camps are unique in offering quality, teacher-led camps at an affordable price, with free before-camp and after-camp care available every day.

This Summer Camps Guide is designed to help you discover all of the wonderful options that are available. We hope to see your child this summer at Lakehill!

*John Trout, Summer Camps Director*

*summercamps@lakehillprep.org*
Welcome from Roger L. Perry, Headmaster

Dear Parents and Students,

We are pleased to introduce Lakehill Summer Camps 2019 designed for children ages 5 to 18. Our summer programs will be held from June 3 to August 2, 2019. We hope you find the information in this catalog helpful as you plan your children’s summer activities.

Our summer program includes nine one-week sessions, either in a full-day or a half-day format. Complimentary before-camp and after-camp care are also provided. Our camps include exciting offerings in academics, arts, and sports and offer you the opportunity to select from a wide variety of options.

Summer is a time to be creative, explore new worlds, sharpen skills, and have fun! Lakehill Summer Camps are carefully planned to promote excellence in education, athletics, and recreation while encouraging students to have fun in a creative and supportive learning environment.

Our faculty is at the heart of the summer experience at Lakehill. Their passions, talents, and skills, combined with outstanding energy and enthusiasm, result in the creation of an unforgettable summer for our students.

We invite you to experience a Lakehill summer of learning. If we can help in any way as you plan your children’s summer activities, please contact us.

Sincerely,

Roger L. Perry, Headmaster
Camp Locations

**Camp Venues**

**Main Campus**
2720 Hillside Drive  
Dallas, Texas 75214-3429  
Phone: 214-826-2931  
Fax: 214-826-4623  
[Click for Map](#)

Located in the heart of Lakewood, the six-acre Main Campus houses classrooms for up to 500 students in Kindergarten through Grade 12, as well as a gymnasium, a cafeteria, two libraries, numerous science and computer labs, and the Charles J. Wyly, Jr. Auditorium.

**Roger L. Perry Campus**
7401 Ferguson Road  
Dallas, Texas 75228  
[Click for Map](#)

The Roger L. Perry Campus is less than four miles from Lakehill’s Main Campus. Built in 2001, this 17-acre campus is home to the Warrior Athletic Complex and the Alice and Erle Nye Family Environmental Science Center.

**Alice and Erle Nye Family Environmental Science Center**

The state-of-the-art LEED-certified Environmental Science Center houses laboratories, classrooms, and meeting space. With over 40 acres of land to explore, students have the opportunity to experience science and nature in a pristine environment.

**Warrior Athletic Complex**

This premier athletic complex is home to the Warriors’ Football Stadium, Baseball Field, Softball Field, Tennis Courts, and Field House.
Registration and Fees

Register Online:

lakehillprep.org/summer-camps

Online registration goes live February 22.

Visit our website for the most current information and news about Summer Camps at Lakehill Preparatory School.

Registrations Accepted All Summer Long

The registration deadline for Summer Camps is May 15. Camps that have not received the minimum number of students required for the class by the deadline may be cancelled. Notification of any class that has been cancelled will be made by May 24. Late registrations may be declined if camps are full, so please register online by May 17.

Fees

Lakehill Summer Camps provide an economical alternative to other costly summer programs, while providing top-quality enrichment activities led by certified teachers. Week-long camps are available in a half-day or full-day format. Campers may select a morning or afternoon camp for a half-day program at $275, or mix and match by selecting one morning and one afternoon camp to constitute a full-day program for $375. You may even elect to pay half at registration and the other half on July 15.

Questions?

For more information on Lakehill's Summer Camps, contact John Trout, Summer Camps Director, at (214) 826-2931 or jtrout@lakehillprep.org. During Summer Camps hours, you may also contact John Trout at 469-767-3433.
Cancellation, Insurance, and Free Before-Camp and After-Camp Care

Cancellation and Withdrawal

We recognize that sometimes summer plans change unexpectedly. However, because the school must purchase materials and incur other expenses in preparation for these camps, any student who withdraws from Lakehill Summer Camps after the registration deadline may be subject to a 50% cancellation fee (equal to forfeiture of the deposit). Refunds (minus the cancellation fee) will be available within 30 days of the date of cancellation.

In the event that a camp must be cancelled due to insufficient enrollment or other unforeseen circumstances, the complete registration fee will be promptly refunded. There will be no prorated registration fees or refunds for camp days missed.

FREE Before- and After-Camp Care

FREE before-camp care from 8:00—9:00 a.m. is available to students attending a morning or full-day camp, while FREE after-camp care from 4:00—6:00 p.m. is available to campers attending afternoon or full-day camps. Students will participate in a variety of activities which could include board games, outdoor games, card games, and crafts. Students should dress for indoor/outdoor play.

NOTE: After 6:00 p.m., a late charge will be assessed and collected at the rate of $1.00 per minute, payable upon arrival. The same rate will apply for morning campers not enrolled in afternoon camp who are not picked up by 1:00 p.m.
General Information

Dress Code
Though the dress code will be relaxed for Lakehill Summer Camps, we ask that parents help their children choose clothing that is modest and appropriate for a school atmosphere. Jeans, shorts, and t-shirts are allowed. Please ensure that your child is wearing recess-appropriate shoes in order to participate in outdoor breaks and activities. Additional dress requirements may be announced on the first day of camp for outdoor camps at the Environmental Science Center.

Code of Conduct
Campers will behave courteously in manner and speech at all times, be respectful of persons in authority and the rights of others, and exercise proper care in the use of materials and equipment. Lakehill reserves the right to dismiss any child whose attitude is not in accordance with the goals and spirit of Lakehill Summer Camps or whose behavior is considered detrimental to any person or to the school.

Lunch
Campers who enroll for both a morning and afternoon camp or a full-day camp should bring a sack lunch with a drink each day. They will remain on campus for a supervised lunchtime and recess at no additional charge. Lunches will not be refrigerated and microwaves may not be available. Campers will eat with campmates under the supervision of camp instructors.

Transportation
Bus transportation will be provided between the two campuses for campers who are attending morning and afternoon sessions on different campuses. Weekly information will be sent to the email address provided at registration with complete details. Please be sure to add jtrout@lakehillprep.org to your address book to stay up-to-date all summer long.
Mathercise—Exercise Your Brain!
Exercise your mental muscle-power in this camp for creative, interactive, hands-on math fun! Practice addition and subtraction facts with fun games using dominos, dice, and cards. Make math "cootie catchers" to quiz your friends. Practice telling time, counting money, and other important math life skills with role-playing and games. This comprehensive review of mathematical concepts is a great way to brush up on essential math skills before the new school year begins!

Instructor: Laura Gigliotti
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 1-4 pm
Entering Grades: 1-2

Camp Kindergarten (for students entering Lakehill only)
Welcome to Lakehill! Kindergarten is your child’s first step into the exciting opportunities in learning and development that Lakehill offers. This popular camp for children entering kindergarten will focus on readiness skills in a fun and relaxed environment. Please note: This camp is available to incoming Lakehill kindergarten campers only.

Instructor: Mylana Burt and Kimberly Poore
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 8, July 22-26, 9 am-noon
Entering Grades: K

Getting Ready for Middle School
Make the most of the academic and extracurricular opportunities Lakehill’s Middle School offers. Brush up on your study habits, learn how to organize your locker, and get proven tips on how to succeed, with hints on how to stay on top of your assignments and get involved in the life of the school. This camp is perfect for students entering fifth grade and other students new to Lakehill’s Middle School. Please note: This camp is available to incoming Lakehill Middle School students only.

Instructor: Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon
Entering Grades: 5-8
Out and About

Destination Dallas--Parks and Playgrounds
The DFW area is home to many fascinating places for kids to explore! Join us for this full-day camp as we discover the many exciting parks focused on family fun. Whether creating a game with new friends, or simply swinging and sliding, every day brings a new adventure, a new destination, a new place to explore and learn, and a new opportunity for fun!

Instructor: Mylana Burt and Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 9 am-4 pm
Entering Grades: 1-3

Destination Dallas
Join us for this full-day camp as we go behind-the-scenes at Dallas’s favorite businesses and places of interest. Every day will bring us to a new destination, a new place to explore and learn, and a new opportunity for fun! From museums and historical sites to outdoor and hands-on experiences, we will see all our great city has to offer.

Instructor: Mylana Burt and Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 9 am-4 pm
Entering Grades: 3-7
Out and About

Dives and Diners
We love all of the Dallas eateries and bakeries that make it to the airways of Food Network, the Cooking Channel, and more! We will hit the road to visit some of these Dallas-famous locations to try a taste of their special treats. We will also try our hand at creating our own versions of the same dishes in the Lakehill kitchen. This will be a week filled with yummy eats all day long!

Instructor: Mylana Burt and Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 9 am-4 pm
Entering Grades: 4-8

Art Out and About
Dallas is known for the quality and quantity of art on display throughout the city. Who isn't inspired by all the unique, beautiful, and challenging art we see? In the mornings, campers will enjoy trips to art museums, installations, and sculpture exhibits around Dallas. These trips will inspire us to create our own artistic interpretations in the afternoon so campers can take a bit of the city back home to display!

Instructor: Mylana Burt and Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 9 am-4 pm
Entering Grades: 1-4
Global Mystery Adventure
Do you picture yourself a super sleuth, like Sherlock Holmes? Develop your investigation and crime solving skills to be the world’s leading crime solver! Campers learn about the world as they travel from country to country gathering evidence, interrogating suspects, and evaluating crime scenes to solve a fictional crime. Learn how to use basic forensics tools – dusting for fingerprints, analyzing handwriting, and examining hair and clothing fibers – to identify mystery clues and solve crimes!

Instructor: Megan McDonald
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 1-4 pm
Entering Grades: 3-5

Fun and Games--Spanish Style!
Campers will play a variety of traditional games that native Spanish speakers have enjoyed for centuries in this exciting and spirited camp! Play a game of tag with Uno, Dos, Tres, Momia Es (You’re the Mummy!) and devise your own winning strategy in El Juego de la Oca (The Goose Game). Take home instructions for your newly-learned games, and teach your family and friends how to play.

Instructor: Joan Mayo
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 9 am-noon
Entering Grades: 2-4

Medieval Madness
Become a Medieval apprentice as you discover the fascinating world of the Middle Ages. Be a herald and make your own shield. Create your own coat of arms, build your own castle, and learn what it takes to defend it. Build your own catapults and trebuchets, and lay siege to the enemy. Who knew the “Dark Ages” could be so much fun?

Instructor: Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 1-4 pm
Entering Grades: 4-8

Instructor: Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 9 am-noon
Entering Grades: 1-3
A World of Fun

**Time Travelers**
Each day, campers will travel to a different point in time to ignite their imaginations and learn about the past. Dress up like a sheriff as you visit the Wild West. Create treasure maps and sail the high seas as pirates. Don a suit of armor and play medieval games. You’ll even travel forward in time to see what the future holds! At each stop, you’ll experience the crafts, games, and food enjoyed by children of that time period. There’s no time like the present to sign up for this camp!

Instructor: Bradley Neyland  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 6, July 8-12, 9 am-noon  
Entering Grades: 1-4

Instructor: Bradley Neyland  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon  
Entering Grades: 3-5

**Fiesta Time! Arts and Culture**
Every day is a fiesta in this exciting camp full of the sights, sounds, and tastes of the Spanish-speaking world! Join us for a week-long celebration as we explore the beauty of Hispanic culture through arts, crafts, games, and songs. Our journey includes a variety of hands-on activities. Play traditional music with maracas and pan pipes that you make yourself, craft beautiful papel picado flags and molas, and explore the games and toys of Spain and the Americas. This is one fiesta you don’t want to miss!

Instructor: Joan Mayo  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 8, July 22-26, 9 am-noon  
Entering Grades: 4-6

**Celebrations - Spanish Style**
Explore the language, cultures, and traditions of the Spanish-speaking world in this camp devoted to El Cinco de Mayo, El Día de los Muertos, Carnaval, and other Hispanic celebrations. You’ll create colorful crafts and tasty treats that capture the essence of each festivity. Make piñatas, sugar skulls, tissue paper flowers, máscaras, and maracas. Prepare totopos, guacamole, torrijas, chocolate con canela, and other tasty treats. In this camp, every day is a fiesta!

Instructor: Joan Mayo  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 9, July 29 - August 2, 1-4 pm  
Entering Grades: 5-8
We Love Disney
Are you dizzy for Disney? Come celebrate the magic of Disney with your friends in this camp for Disney’s biggest fans! We will play games and make crafts to commemorate the characters, stories, and parks of Magic Kingdom. Come ready to play, sing, and dance along with some of your favorite Disney characters. It’s the most magical camp at Lakehill!

Instructor: Jo Cayme-Mosley
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 1-4 pm
Entering Grades: K-2

We Love Harry Potter
Calling all young wizards and witches to join the ranks of Hogwarts. Your invitation letter has arrived! Campers will be sorted into houses and attend classes including potions, care of magical creatures, history of Quidditch, and other Hogwarts classics. The exciting and magical world of J. K. Rowling’s famous books inspires this camp that brings the magic of Harry Potter to life, even if you’re a muggle!

Instructor: Laura Gigliotti
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 1-4 pm
Entering Grades: 1-2
Tales of Wonder

It's in the Stars!
For centuries, we have looked to the heavens in wonder and amazement. Discover the ancient myths and legends that cultures around the world have created with inspiration from the stars. Identify the constellations and the cycles and phases of the moon that give shape to the night sky. Learn the rich history of Chinese and classical zodiac signs, and decide whether our futures are truly written in the stars. What do the stars have in store for you?

Instructor: Laura Gigliotti
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 9 am-noon
Entering Grades: 3-5

Telling Tales
Everyone has a story to tell! Transform your wildest ideas into stories to share with your friends and family in this camp for budding writers. Learn how to hook readers into your stories quickly and keep them glued to the pages with twists and turns that will leave them desperate to know what happens next. Wrap up your tales with hints of future escapades that will leave your readers begging for a sequel. Are you ready to pen your next adventure?

Instructor: John Trout
Location: Environmental Science Center (7401 Ferguson Rd.)
Date and Time Offered: Week 3, June 17-21, 1-4 pm
Entering Grades: 2-4
My Favorite Monster
All across the globe and throughout time, cultures have told stories about mysterious creatures. This camp shines a light on the mysteries of the night! You'll learn about these legendary monsters, from the Loch Ness monster of Scotland to the abominable snowman of Nepal. Make monster slime and other creepy crawly crafts, and invent your own monster stories. It's a true monster mash!

Instructor: Emily Berman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 9 am-noon
Entering Grades: K-3

Book Worms
Immerse yourself in the worlds of your favorite books and characters. Become part of the story -- adventuring, playing, and making new friends along the way. Enjoy word puzzles and games from popular novels. Campers will transform a book into a piece of art through painting, drawing, stamping, and shaping to create a truly unique work. Campers will also write fan-fiction, transporting familiar book characters into new worlds.

Instructor: Carley Hackney
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 1-3
Gardening for the Dinner Table
Nothing tastes better than fruits and vegetables fresh from the garden! Learn about organic gardening from seed to sprout in this camp that's all about fresh, edible goodness! Campers will learn about soil preparation, planting, tending, and harvesting crops, and enjoying the fruits of their labors. This is a week packed with earthly delights!

Instructor: Jeremy Holman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 9 am-noon
Entering Grades: 3-8

Eek! Bugs!
This camp is all about the creepy, crawly creatures that live all around us! Grow your knowledge of the animal kingdom’s smallest creatures as you explore how worms, doodle bugs, and ladybugs help plants grow. Become a “Pollinator Partner” by learning about the kinds of gardens and habitats that insects love. Use color, pattern, and texture inspired by nature’s own six-legged works of art to create your own masterpieces. Spiders and beetles and dragonflies, oh my!

Instructor: Mylana Burt
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 1-4 pm
Entering Grades: 1-2

Pets Undercover
There are so many interesting pets! Do you know how to meet their needs to keep them happy and healthy? What makes them wag their tails or purr? What makes them growl or hiss? This camp is for kids who want to unlock the mysteries of the animal kingdom to be the best caretakers possible! Learn about different types of pets and how to care for them, play pet-inspired games like dog bowl toss and catch the feather, and make fun collages of your pets (or the pets you’d like to have!). When the week is over, you’ll be ready to be a pet’s best friend!

Instructor: Emily Berman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 1-4 pm
Entering Grades: K-3
Nature and the Outdoors

Dinorama
Travel back in time to a prehistoric world full of dinosaurs. Campers will learn more about these amazing creatures through experiments and arts and crafts. Explore the mysteries of prehistoric Earth and discover which ancient creatures once roamed your own backyard. Make papier mache eggs and model fossils of dinosaur teeth, bones, and tracks. It's claw-stomping, tail-swinging fun!

Instructor: Emily Berman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 1-2

Modern Survival
Whether you are in the city or in the woods, knowing how to solve problems will keep your fun on the right track. Learn how to cook over an open fire, work with wood, construct a makeshift tent, safely use household tools, apply first aid, and stock a survival pack. Campers will also learn wilderness navigation, basic knots useful for camping, how to cook tasty trail meals, and so much more. Fun for boys and girls! Campers will end the week with several useful skills and a renewed sense of accomplishment and self-confidence.

Instructor: Johan Ekstrom
Location: Environmental Science Center (7401 Ferguson Rd.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 4-8

Wild Dallas
If you think that you have to go far from the city to find wildlife, you're in for a surprise! Foxes, coyotes, raccoons, wild pigs, and even bobcats can be found right here in Dallas, if you know where to look. In the Wild Dallas camp, you'll learn about the wild animals and plants that you can find in your neighborhood while learning about the signs they leave behind for you to find. What comes out to play in your backyard while you're sleeping?

Instructor: Jeremy Holman
Location: Environmental Science Center (7401 Ferguson Rd.)
Date and Time Offered: Week 7, July 15-19, 9 am-noon
Entering Grades: 4-8
Commotion in the Ocean
Take your reading and artistic skills to new depths in this camp that celebrates the sea. The exotic shapes, vivid colors, and unusual textures of the underwater world will inspire campers to paint, draw, and sculpt underwater creatures and plants. Cast your net into the sea of learning and imagination!

Instructor: Carley Hackney  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 8, July 22-26, 9 am-noon  
Entering Grades: 1-3

Dog Days of Summer
This camp is perfect for dog lovers, whether they have a dog or hope to have one in the future. Campers will learn about different breeds with different needs, how to properly care for a four-legged friend, and how to behave safely around unfamiliar canines. Campers will make doggie treats and doggie toys for their canine friends to donate during a field trip to a local animal shelter. Special visits from four-legged and two-legged guests will add to the excitement. It’s doggone fun!

Instructor: Kaye Hauschild  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 9, July 29 - August 2, 1-4 pm  
Entering Grades: 4-8

Welcome to the Jungle
From the Amazon of South America to the Congo of Africa, the world’s jungles are home to an amazing array of cultures, wildlife, and adventures. Craft artifacts inspired by native cultures; discover the mysteries of the jungle’s elusive animals; and explore uncharted realms in this journey through the jungle. Your adventure starts now!

Instructor: Carley Hackney  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 9, July 29 - August 2, 1-4 pm  
Entering Grades: K-2
Brain STEMs

Build it Big...with Newspaper!
There is nothing quite like the thrill of designing and building with your own two hands! Build to the skies with a surprising material...newspaper! Rolled, folded, layered, or glued, this flimsy medium will surprise you with the strength it can have! Each day begins with an engineering problem that campers will solve given certain parameters and materials. Use your imagination and engineering know-how to design, build, and test your own feats of engineering. Are you up to the challenge?

Instructor: Megan McDonald
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 9 am-noon
Entering Grades: 3-6

LEGO Engineering for Young Minds
Explore the fundamentals of physics and engineering with the world’s most popular building blocks! Daily hands-on activities will challenge campers’ imaginations and problem-solving skills as they construct bridges and skyscrapers to support a heavy load, build the fastest cars, and solve other engineering challenges. Campers will keep their minds and hands busy all camp long!

Instructor: Rob McDonald
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 1-4 pm
Entering Grades: 1-3

Summer Science Spectacular
Let’s start summer with a bang! Wacky science experiments and crazy crafts will celebrate a new set of scientific principles every day. Explore the physics of bottle flipping, stay cool with popsicle science, and observe bizarre chemical reactions you’ll have to see to believe. Experiment with gummy bears and discover which cookies sink and which ones float in tasty labs that are fun to eat! It’s spectacular science fun!

Instructor: Laura Gigliotti
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 9 am-noon
Entering Grades: 1-3
**Brain STEMs**

**Is it Art or is it Science?**
This camp explores the intersection of art and science! Make detailed drawings of crystals and plants to discover the amazing shapes and structures in nature. Create tessellations, build mobiles with found objects, and discover the connection between art and science! Use microscopes to take a closer look at objects, and shadows to create abstract art. Is it art or is it science!?!  

*Instructor: Megan McDonald*  
*Location: Main Campus (2720 Hillside Dr.)*  
*Date and Time Offered: Week 2, June 10-14, 1-4 pm*  
*Entering Grades: 1-3*

**Sticks and Stones**
Campers will create useful objects that can be used in and around their homes in this hands-on camp. Use a variety of simple hand tools to build wooden creations including birdhouses, mail organizers, picture frames – even your own tool box! Decorate your creations with items found in nature. You will learn about tool safety while developing do-it-yourself skills and a sense of accomplishment at what you can do with your own two hands!  

*Instructor: Jeremy Holman*  
*Location: Environmental Science Center (7401 Ferguson Rd.)*  
*Date and Time Offered: Week 3, June 17-21, 9 am-noon*  
*Entering Grades: 1-4*

**Under Construction**
There is nothing quite like the thrill of designing and building with your own two hands! Gain confidence in your skills at drafting, making, repairing, and revising a project. Learn to work as part of a team to construct large-scale projects as a group, and complete smaller projects on your own. Campers will build with real tools, learning to safely use hammers, nails, handsaws, wrenches, nuts, bolts, and a variety of construction materials to build creative wooden projects.  

*Instructor: Jeremy Holman*  
*Location: Environmental Science Center (7401 Ferguson Rd.)*  
*Date and Time Offered: Week 3, June 17-21, 1-4 pm*  
*Entering Grades: 4-8*
Brain STEMs

Machines in Motion
Let engineering set your ideas in motion as you design and build a variety of moving machines. Experiment with electricity, motors, and more to discover how things work. Create speeding cars, flying airplanes, even a helium dirigible from scratch. Solve design challenges and modify your machines to maximize their performance. The race is on!

Instructor: Mitch Musselman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 1-4 pm
Entering Grades: 4-8

Chill Out with STEM Junior
Chill out this summer with this camp devoted to all things frozen and fun. Create frozen snow crystals and melting snowmen. Learn how arctic animals stay warm and how penguins stay dry. Discover the amazing things that happen when the temperature drops. You won’t find a cooler camp anywhere else. Don’t be left out in the cold. The morning session of this camp will combine with Make It! Bake It! Take It! camp on Friday to enjoy a summer movie at Alamo Lake Highlands in celebration of Independence Day.

Instructor: Mitch Musselman and Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 5, July 1-5, 9 am-noon
Entering Grades: 1-3

Chill Out with STEM
Chill out this summer with this camp devoted to all things frozen and fun. From ice cream and gelato, to clouds and snow, you will be amazed at what you can create when the temperature drops. With hands-on experiments using ice and dry ice, and observations of liquid nitrogen in action, campers won’t find a cooler camp anywhere else. Don’t be left out in the cold! The afternoon session of this camp will combine with Make It! Bake It! Take It! camp on Friday for an afternoon of water games and activities and summer snacks to celebrate Independence Day!

Instructor: Mitch Musselman and Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 5, July 1-5, 1-4 pm
Entering Grades: 4-8
**Brain STEMs**

### Fling It! Blast It! Launch It!

Ready for liftoff! Fling, shoot, and launch a variety of objects, including water rockets, airplanes and even eggs. Explore the importance of stability and aerodynamics and experiment with different propulsion and recovery systems to ensure that what goes up comes down safely. Launch objects from trebuchets and catapults and discover the physics of flight with balsa and paper airplanes and other flying machines. Let your imagination take flight!

*Instructor: John Trout*
*Location: Main Campus (2720 Hillside Dr.)*
*Date and Time Offered: Week 6, July 8-12, 9 am-noon*
*Entering Grades: 3-5*

### Grossology

It's time to get your hands dirty! Campers will participate in hands-on experiments exploring the science of all things slimy and gross! Campers will extract their own DNA, make goo and slime, and explore animals and their most disgusting behaviors. You’d never believe the fun you can have being grossed out!

*Instructor: Jeremy Holman*
*Location: Main Campus (2720 Hillside Dr.)*
*Date and Time Offered: Week 8, July 22-26, 1-4 pm*
*Entering Grades: 4-8*

### Space Quest

There is an unimaginably large universe just beyond the horizon. Campers will marvel at the vast size of the sun and the enormity of the solar system and how small it is compared to the vastness of the universe. Explore the Solar System through books and hands-on activities such as "galaxy slime," mini marshmallow constellations, or moon and stars mobiles. Sign up now before space runs out!

*Instructor: Emily Berman*
*Location: Main Campus (2720 Hillside Dr.)*
*Date and Time Offered: Week 8, July 22-26, 1-4 pm*
*Entering Grades: K-3*
The Incredible, Indestructible Egg
Can you save Humpty Dumpty? The evil Egg-Meister is trying to destroy the eggs—by throwing them off buildings, shooting them from cannons, and crushing them with hammers. Your job is to save the eggs by designing ingenious contraptions such as crash cages and parachutes. Use your knowledge of physics, and engineering to defeat the evil Egg-Meister’s plans. Will your “Crash Test Dummy” survive?

Instructor: Johan Ekstrom
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 8, July 22-26, 9 am-noon
Entering Grades: 4-8

Blast Off!
Become a rocket scientist as you learn the laws of physics and discover how to make a rocket go higher and faster! Explore the importance of stability and aerodynamics, experiment with different propulsion and recovery systems, and test different types of rockets. Campers will design, build, and launch their own water-powered and black powder rockets. This camp is rocket science!

Instructor: Johan Ekstrom
Location: Environmental Science Center (7401 Ferguson Rd.)
Date and Time Offered: Week 9, July 29 - August 2, 1-4 pm
Entering Grades: 4-8
Nature Arts
Take a hike and collect dry, twisted vines, bark that has peeled off a tree, seedpods, and sensational sticks and more. But it doesn't end there! Use these natural treasures to make all-natural, one-of-a-kind art projects that can decorate your bedroom, yard, or favorite hideout. Learn about other artists who use elements found in nature to create amazing pieces of art.

Instructor: Jeremy Holman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 1-4 pm
Entering Grades: 1-4

Sew Can You
Kids everywhere are discovering the joy of stitching their own clothes, accessories, and stuffed friends. Sew can you! From hand stitches to pattern cutting to buttons and closures, campers will learn the basics of sewing, creating their own practical and imaginative hand-made items. Thread your way into this camp before it zips closed!

Instructor: Mark Guerra
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 9 am-noon
Entering Grades: 4-8
Trash to Treasure

Turn your trash into treasure! Recycle materials such as milk cartons, newspapers, cans, and containers to create new items such as toys, crafts, costumes, accessories, and much more. These awesome trash-to-treasure crafts are a great way to create something new and recycle at the same time. Trash can be so much fun!

Instructor: Joan Mayo  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 6, July 8-12, 9 am-noon  
Entering Grades: 1-3

Leathercrafter

When it comes to making lasting memories, nothing is as durable and indestructible as leather! This camp for older leathercrafter introduces the basics (and more!) of turning plain leather into colorful pieces of functional art! Practice using stamping tools and colorful dyes to learn your craft. Wrap and stitch pieces with rawhide strips to create layers and shapes. Sculpt the shape and change the hue of strips of leather to make a coin purse or a wallet to guard your valuables and express your individuality!

Instructor: Jodi Wright  
Location: Main Campus (2720 Hillside Dr.)  
Date and Time Offered: Week 7, July 15-19, 9 am-noon  
Entering Grades: 4-8
Leathercrafters Junior

When it comes to making lasting memories, nothing is as durable and indestructible as leather! This camp for younger leathercrafters introduces the basics of turning plain leather into colorful pieces of functional art! Practice using stamping tools and colorful dyes to learn your craft. Sculpt the shape and change the hue of strips of leather to make bracelets and bookmarks that express your individuality!

Instructor: Jodi Wright
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 1-4 pm
Entering Grades: 1-3

Puppets in Motion

Draw your audience into the story with puppetry! Campers will construct sock puppets, paper bag puppets, and hand puppets to tell classic tales and even stories from their own imaginations. Practice gestures, lip syncing, acting and reacting, stance, and more to breathe life into your creations.

Instructor: Carley Hackney
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon
Entering Grades: K-2

Strung Together

Dream catchers, wall hangings, necklaces, and more! Imagine what you can do with colorful string and beads! Sculpt oven-bake clay into original charms and beads to enhance and personalize your art. Create one-of-a-kind art and accessories, from simple mobiles to creations worthy of display at Mom or Dad’s office! Every creation will be as unique as the camper who makes it!

Instructor: Jodi Wright
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon
Entering Grades: 1-3
No, not pulling-rabbits-out-of-hats magic. Elves-and-dragons-and-goblins magic! Magic: The Gathering is the first and oldest collectible trading card game. At its heart, Magic is like a game of chess crossed with a fantasy world of elves, goblins, spells, and dragons. However, whereas chess has only six different types of pieces, Magic has literally thousands of different cards, each with its own strengths, weaknesses, and abilities, from which each player selects his or her favorite 60 to build a deck.

**Magic: the Gathering--Ravnica Through the Ages**

This camp for the collectible trading card game *Magic: The Gathering* celebrates Ravnica, Magic's most popular imaginary world. Using packs and repacks from the original Ravnica: City of Guilds set all the way up to the latest Ravnica release, War of the Spark, intermediate and advanced campers will play with cards from across the decades, learning more about the history and evolution of Ravnica one match at a time. Best of all, campers will keep the cards they play with! Planeswalkers unite! Note: There is an additional $35 fee to cover the cost of cards and materials that campers keep.

**Instructor:** John Trout  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 1, June 3-7, 1-4 pm  
**Entering Grades:** 4-8

**Magic: Beginners and Beyond (Core Set 2020)**

This camp for the collectible trading card game *Magic: The Gathering* is all about the basics. Campers will learn the beginner and intermediate rules of the game, develop early, middle, and late-game strategies, and discover what it takes to build a competitive Magic deck. Campers will play with (and keep!) cards from the summer Magic set, Core Set 2020. Note: There is an additional $35 fee to cover the cost of cards and materials that campers keep.

**Instructor:** John Trout  
**Location:** Environmental Science Center (7401 Ferguson Rd.)  
**Date and Time Offered:** Week 9, July 29 - August 2, 1-4 pm  
**Entering Grades:** 3-8

**Dungeons and Dragons--Beginners and Beyond**

Nothing inspires imagination quite like a good fantasy story, with its daring knights, spells and magic, and devious villains. Sadly, all good stories must come to an end...or must they? What if you could keep the adventures going with your friends! Dungeons and Dragons is the original fantasy role-playing game! Players take on the role of a character and work together to solve puzzles, fight monsters, and outsmart villains in a roundtable of collaborative storytelling. Campers will learn the basic rules to create characters and adventures together. Do you have what it takes to be a hero?

**Instructor:** Amanda Rasbury  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 1, June 3-7, 9 am-noon  
**Entering Grades:** 5-8

**Instructor:** Amanda Rasbury  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 6, July 8-12, 9 am-noon  
**Entering Grades:** 5-8
Lights, Camera, Stop-Motion!
How do they do it? Learn the basics of stop-motion animation film making as you explore the art and science to this unique form of storytelling. Campers will develop characters and write stories as they learn to use stop-motion animation technology to create animated short movies. The week will end with a premiere showing of the camper’s film productions on the big screen. And... action!

Instructor: Rob McDonald
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 9 am-noon
Entering Grades: 4-8

Lights, Camera, Stop Motion 2: Return of the Freeze-Frame Film
Have you taken the Stop Motion Animation class before or are you already an experienced director/producer of animation? Learn more advanced techniques of stop-motion animation film making as you further explore the art and science to this unique form of storytelling. Campers will develop characters and write stories as they learn to use stop-motion animation technology to create animated short movies. The week will end with a premiere showing of the camper’s film productions on the big screen. That’s a wrap!

Instructor: Rob McDonald
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 1-4 pm
Entering Grades: 4-8

LEGO Robotics--EV3
LEGO’s EV3 robotics kits are the perfect tool for developing the problem-solvers and engineers of the future! Each day, teams will design, build, and program a robot to perform a new task and solve a new problem, putting their engineering know-how to the test! Are you up to the challenge?

Instructor: John Trout
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 9 am-noon
Entering Grades: 4-8
LEGO Robotics--WeDo

Using LEGO's WeDo construction set, campers will construct real LEGO robots that interact with their environments. Build with LEGO bricks, gears, and pulleys, then program your creations in the Lakehill computer lab, creating robots that follow commands and respond to their surroundings. It's the perfect blend of programming, construction skills, and fun!

Instructor: John Trout
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 3-5

It's Time to Code!

In today's modern world, computer coding is as fundamental as reading and writing. Beginner and intermediate programmers will use a variety of computer languages, programs, and applications. Elements of Python, Java, Scratch, Jeroo, Alice, SketchUp, and a variety of web-based programming applications will be explored. Write your own programs, draw 3-D objects, learn the basics of game design, and gain the confidence to further explore the exciting world of computer programming.

Instructor: Johan Ekstrom
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon
Entering Grades: 4-8
**Painter’s Palette**

**Artventure**
Draw like Dali and dot like Seurat! Creativity abounds in this art camp for beginning artists. Campers will gain experience with many different types of art materials as they paint, draw, and sculpt their way through a variety of art projects modeled after artistic masterpieces. As they learn about basic art elements, they will develop their artistic voices, learning to paint without touching paper, draw without using shapes, and create stained glass that will never break. As the masters learned long ago, sometimes you have to get messy to make a masterpiece!

**Instructor:** Megan McDonald  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 2, June 10-14, 9 am-noon  
**Entering Grades:** 1-3

---

**Mix-It-Up Art**
Who says you can’t mix it up when it comes to art? It’s time to break all the rules! Campers will blend many art and design methods, including pattern, negative space, and color schemes to craft unique pieces that blur the lines of traditional art. No two pieces will look the same when campers mix it up!

**Instructor:** Mark Guerra  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 4, June 24-28, 9 am-noon  
**Entering Grades:** 4-9

---

**Amazing Acrylics**
There’s an artist in everyone! Put your own twist on some of the greatest paintings from artists around the world and throughout history, such as Van Gogh, Matisse, Picasso, and more. Every day, campers will learn about a different master and take home a completed acrylic painting. Will you be the art world’s next master painter?

**Instructor:** Carley Hackney  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 8, July 22-26, 1-4 pm  
**Entering Grades:** 3-5
**Home Grown Texas Cuisine**

Texas is a wonderful mix of cultures and people, and this variety is reflected in its food! Campers will learn about Texas cuisine and use a variety of foods grown in the Lone Star State to create traditional Texas dishes. Some ingredients will even come from Lakehill’s garden! Texas caviar, cast iron cornbread, pico de gallo, hashbrown potato casserole, and more will tickle your tastebuds-Texas style!

**Instructor:** Joan Mayo  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 2, June 10-14, 1-4 pm  
**Entering Grades:** 3-8

---

**Waffle Iron Cooking**

What can't you do with a waffle iron? We will experiment with the humble waffle iron to create delicious recipes including cookies, "wonuts," waffle pizza, sandwiches, and, of course, waffles. Who knew a single kitchen appliance could do so much?

**Instructor:** Kaye Hauschild  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 4, June 24-28, 1-4 pm  
**Entering Grades:** 3-8

---

**Make It! Bake it! Take it!**

Nothing says summer celebration quite like the Fourth of July, and this camp is all about celebration! Make classic summer treats, from home-made chips, veggies, and dips to scrumptious summer desserts that celebrate the fruit and veggie bounty of summer. Patriotic crafts and decorations will liven any Independence Day party! Recipes and ideas will be collected in a festive journal.

The morning session of this camp will combine with Chill Out with STEM camp on Friday to enjoy a summer movie at Alamo Lake Highlands in celebration of Independence Day.

The afternoon session of this camp will combine with Chill Out With STEM camp on Friday to enjoy a summer movie at Alamo Lake Highlands in celebration of Independence Day.

**Instructor:** Laura Gigliotti and Joan Mayo  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 5, July 1-5, 9 am-noon  
**Entering Grades:** 4-8

**Instructor:** Laura Gigliotti and Joan Mayo  
**Location:** Main Campus (2720 Hillside Dr.)  
**Date and Time Offered:** Week 5, July 1-5, 1-4 pm  
**Entering Grades:** 1-3
Play with Your Food
Go ahead. It’s OK. Play with your food! Create artistic and edible masterpieces, compete in exciting food games, explore new tastes and textures, and prepare unique snacks to sample and share with family and friends. Prepare edible slime, peanut butter playdough, marshmallow towers, ants on a log, and other tasty, messy, ooey-gooey treats. It’s messy, delicious fun!

Instructor: Joan Mayo
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 1-4 pm
Entering Grades: 1-3

Gluten-Free Goodies
You won't believe how tasty gluten-free snacks can be! Campers will make all kinds of gluten-free treats including cookies, muffins, cakes, brownies, and more. Learn how to create your own cake and cookie mixes to use in a number of recipes. Chocolate fudge cake, orange juice bread, apple cinnamon muffins, raspberry cream cheese brownies, and Chinese marble cookies are just some of the treats that await! Say yes to gluten-free deliciousness!

Instructor: Joan Mayo
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 8, July 22-26, 1-4 pm
Entering Grades: 4-8

Blast from the Past Desserts
Throughout the decades, one thing has always been true: everyone loves dessert! Create and share vintage desserts from the '40s to the '80s while gaining historical perspective on the evolution of the sweet tooth. Rediscover cooking trends and innovations from across the years. Vintage cookies, cakes, puddings, candies, and gelatin desserts are just a few of the goodies that you'll enjoy!

Instructor: Joan Mayo
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 9, July 29 - August 2, 9 am-noon
Entering Grades: 3-8
It's Finally Summer!
Can you believe it? It's finally summer! Let's celebrate with this camp packed full of all your favorite summer activities. We'll make our own fruity popsicles, play fun-in-the-sun and chillin'-in-the-shade games, and create colorful crafts and projects, from watercolors to windchimes to "galaxy slime," that capture the brightness of the summer!

Instructor: Laura Gigliotti
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 1, June 3-7, 1-4 pm
Entering Grades: 1-3

Musical Mash-up
This is the perfect camp for kids who can't help but sing along with their favorite songs! Campers will enjoy activities based on musical numbers from popular family-friendly musicals. Make and fly kites inspired by Mary Poppins. Bake apple strudel inspired by The Sound of Music. Create your own version of Bikini Bottom from the Spongebob Musical. How would you adapt your favorite songs into fun activities?

Instructor: Heather Dondis
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 1-4 pm
Entering Grades: 5-8

Recess is My Favorite Subject
Don’t you wish recess could last all morning? Well, now it can! Enjoy all of your favorite recess games. We will play tag, kickball, groundies, jump rope, four square, capture the flag, treasure hunt, and all of your other favorite playground games. You may even discover a new favorite game for recess!

Instructor: Mylana Burt
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 9 am-noon
Entering Grades: 1-2
Fun with Friends

Unicorns and Rainbows
Prepare for a week of all things sparkly and colorful! Each day brings a new theme with activities that are bound to make any playdate or sleepover memorable, from art to games to imaginative play. Make friendship bracelets to share with friends and family. Decorate rocks with paints and patterns. Watercolor with colored ice cubes. This week of bonding, friendship, and fun is one you'll never forget!

Instructor: Emily Berman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 9 am-noon
Entering Grades: 1-3

Games Galore
Games are a great way to practice strategy and problem-solving, to socialize, and to challenge ourselves while we have fun. Play games that kids have enjoyed for decades—Chinese checkers, cards, bean bag toss, obstacle courses, races, and more! You'll test your skills, your wits, and your imagination, even creating a few games of your own! Are you ready to play?

Instructor: Emily Berman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 8, July 22-26, 9 am-noon
Entering Grades: K-2
**On the Stage and In the Spotlight**

**Rock Star Music Videos**

You don’t need the backing of a major music label to make your own ground-breaking music videos. Campers will explore various cinematic elements to accompany their favorite songs, shooting their own footage on an iPad and putting it all together in iMovie. This camp is about more than just software; campers will learn the basics of storyboarding and will shoot, edit, and polish their project’s transitions, titles, backgrounds, and other audio and video effects. You’re in the director’s chair now!

*Instructor: Mark Guerra*
*Location: Main Campus (2720 Hillside Dr.)*
*Date and Time Offered: Week 1, June 3-7, 1-4 pm*
*Entering Grades: 4-8*

---

**Movie Making in the Palm of Your Hand**

You don’t need the backing of a Hollywood film studio to make your own movie. Create your own movie with iMovie! Campers will explore various cinematic elements, shoot their own footage on an iPad, and put it all together in iMovie. This camp is about more than just software; campers will learn the basics of storyboarding and will shoot, edit, and polish their projects transitions, titles, backgrounds, and other audio and video effects. You’re in the director’s chair now!

*Instructor: Karen McCoskey*
*Location: Main Campus (2720 Hillside Dr.)*
*Date and Time Offered: Week 3, June 17-21, 1-4 pm*
*Entering Grades: 3-5*
On the Stage and In the Spotlight

In the Spotlight
It’s your turn in the spotlight! Campers will learn the basics of acting on the stage in this camp for budding thespians, from warm-ups and following stage directions to creating a character and vocal projection. A focus on improvisation and pantomime will help campers to think on their feet and to use their bodies to express a wide range of emotions. This is your cue to sign up now!

Instructor: Mark Guerra
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 1-4 pm
Entering Grades: 3-5

Take the Stage
Let’s put on a show! Through improvisation, theater games, and scene work, this camp will help campers find their inner thespians. Not ready for the spotlight? Learn what goes on backstage while a play is being performed. Family and friends are invited to join us at the end of the week for a showcase performance. Places, everyone!

Instructor: Mark Guerra
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 9 am-4 pm
Entering Grades: 5-9
Community Connections for Middle and Upper Schoolers

This full-day camp engages campers in meaningful service while strengthening their community. Each day offers a new opportunity to partner with a different community group. Campers will learn about each organization, and then create and complete a service project targeted specifically to them. Certificates documenting their service hours will be presented to campers at the end of the week. Please note: This session is full of activities specifically designed for middle and high school campers only.

Instructor: Gigi Ekstrom, Kaye Hauschild, and Jo Cayme-Mosley
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 9 am-4 pm
Entering Grades: 5-12

Community Connections

This full-day camp engages campers in meaningful service while strengthening their community. Each day offers a new opportunity to partner with a different community group. Entering Grades: 3-12

Instructor: Gigi Ekstrom, Sue Stretcher, and John Trout
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 8, July 22-26, 9 am-4 pm
Entering Grades: 3-12
The Sporting Life

All-Sports Camp
Don’t be a couch potato! Get active this summer with a variety of sports, including kickball, soccer, ultimate Frisbee, basketball, relay races, flag football, and many more! This active and healthy camp will keep you energized all week long. Campers will also enjoy a water day, filled with water balloons, Slip ’n’ Slide, and wet, wild fun. You don’t want to miss this high-energy camp!

Instructor: Mitch Musselman
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 9 am-noon
Entering Grades: 1-4

Instructor: Jo Cayme-Mosley and Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 3-6

Disc Golf--Beginners and Beyond
Campers will learn the fundamentals of the popular hybrid sport of disc golf, a combination of good old Frisbee tossing and golf! Beginners will learn about the basic mechanics, the types of equipment used, and the techniques of play. Intermediate players will refine these skills while improving their accuracy and power. This camp includes field trips to local parks for play on official Professional Disc Golf Association courses.

Instructor: Rob McDonald and John Trout
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 2, June 10-14, 9 am-noon
Entering Grades: 4-8

Warrior Youth Golf
Introduce your child to a life-long sport! This camp is for beginners with an interest in learning the game of golf. We will explore the fundamentals of golf, through games and drills in a fun and encouraging environment. Instruction will focus on the basic rules of the game learned through a round of Frisbee golf, the basics of swing mechanics using a club and plastic golf balls, basic chipping, and putting. We will visit Top Golf each day to practice on the driving range and will enjoy a round of miniature golf at the end of the week. A fee of $40 will be added to cover the cost of green fees.

Instructor: Scott Boles
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 3, June 17-21, 9 am-noon
Let's Cheer!
Cheerleading is so much more than uniforms and pom poms! Join us to learn cheers, chants, movements and dances, and other elements of team motivation needed for becoming a super spirit leader. From routines to skits and even crafts, cheerleading has something for everyone. We will even host our own pep rally to perform for friends and family at the end of the week. Go team!

Instructor: Laura Gigliotti and Kaye Hauschild
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 4, June 24-28, 9 am-noon
Entering Grades: K-4

Warrior Youth Volleyball
The Warrior Youth Volleyball camp will focus on teaching the proper mechanics of serving, passing, setting, hitting, and blocking, as well as the fundamentals of the game itself. Skill stations, individual instruction, and scrimmages will introduce campers to the rules of the game as well as rotations and positions of play. Go Warriors!

Instructor: Jo Cayme-Mosley
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 6, July 8-12, 1-4 pm
Entering Grades: 4-6

Warrior Youth Basketball
Focusing on proper mechanics and fundamentals of basketball, including rules of the game, this camp will introduce basic skill stations, five-on-five competitions, varied individual instruction, games, and more. Emphasis will be placed on proper ball handling, effective and efficient passing, and teamwork. Go Warriors!

Instructor: Bradley Neyland
Location: Main Campus (2720 Hillside Dr.)
Date and Time Offered: Week 7, July 15-19, 1-4 pm
Entering Grades: 3-6
