

Dear Lakehill Parents:

On behalf of the Officers of the Lakehill Parent Faculty Club (PFC), I hope you are having a wonderful summer with your families. We would like to share with you some of the PFC's accomplishments of this past year as we look forward to the opportunities of the next fundraiser.

For the 2020-2021 school year, the Lakehill PFC generated more than \$100,000 in net revenues through PFC sponsored activities including the Lakehillopoly Fundraiser, membership, Retail Rebates, School Supplies, Spirit Shop and Trek for Tech.

The funds have been used to provide more than \$20,000 worth of programming to the school through PFC sponsored events like the Halloween Carnival, support for Athletics and Performing Arts Departments, Faculty Appreciation, Senior Day, Athletic and Performing Arts recognitions, Graduation, and live streaming of various events throughout the year for parents.

In addition to funding these programs, the PFC made cash gifts to the school totaling \$74,000. This includes \$33,000 in technology upgrades from the annual Trek for Tech 5K and fun run, plus \$41,000 that will be used to provide various items and programs to the school. Such items include new lower school playground surface covering, new stair treads indoors, rebranding graphics in the hallways, enhancements to student experiences and faculty development, Warrior Fund and Endowment contributions.

As a parent or guardian of a current Lakehill student, PFC dues are included in the school fees, and you are automatically a member. Our school could not run without the help of involved parents, and with so many programs, we are hopeful that we offer something that fits your time and interest! A list of volunteer opportunities will be available on the school website when the school year begins. A volunteer link will be attached to a Sign Up Genius form.

Also, for those of you with students entering Kindergarten through 8th grade, please remember that School Supplies can be ordered online.

We wish you a happy, safe and rejuvenating summer, and we look forward to seeing you in August!

With warm regards,

Shelley Shook
PFC President
