Dear Parents and Students Interested in Middle School Cheerleading in 2021 - 2022:

It is time to begin looking ahead to cheerleading in the school year 2021 - 2022. This is always an exciting time, filled with plans and ideas for our new season. We hope that all interested students will be able to join our squad.

Middle School cheerleading is a commitment of time, money, and energy on the part of parents and students alike. While we try to keep the financial commitment as low as possible, camp and uniform costs are about \$500 for new cheerleaders and, for returning cheerleaders, costs will be about \$100 if last year's uniform still fits.

Our cheerleading "season" begins with camp on August 14th and ends at the end of basketball season in February. This year's cheer camp will be held in the Lakehill gym on August 14 and will be led by an instructor from NCA. Camp begins at 9:00 and will end at 3:00. The camp will focus on teamwork, cheers and chants, and dance. Camp will end with a special "pep rally" for parents at 2:45. Cheerleaders should wear shorts, a Lakehill t-shirt, and cheer shoes, and bring water and a lunch that does not need any microwaving or refrigeration. During the school year, we practice Monday and Wednesday mornings during football and basketball seasons beginning at 7:20 a.m.

All parts of our uniform are available for purchase from GTM Sportswear. We have a Team Store where parents can place orders for their cheerleaders between June 1 and July 10 to receive a discounted price. Uniform shipments will come to Lakehill in individual packages and take approximately a month to six weeks to arrive. The later in the summer orders are placed, the longer it takes so we ask that orders be placed by July 10.

Then sign the authorization and permission forms and send them along with the camp payment of \$89 to me at Lakehill by July 15. (If you paid for camp last year, you do not need to pay again.) I am always happy to answer any questions.!

Sincerely, Kaye Hauschild
