Dear Lakehill Parents,

I hope you are having a wonderful summer with your families! On behalf of the Officers of the Lakehill Parent Faculty Club (PFC), I'd like to share with you some of the PFC's accomplishments of this past year as we look forward to the opportunities of the next.

For the 2021-2022 school year, the Lakehill PFC generated more than \$465,000 in net revenues through PFC sponsored activities. We raised over \$220,000 at our spring auction! Other revenue-generating activities included our annual Trek for Tech 5K Run and Fun Run, our fall and spring book fairs, membership dues, school supplies, athletics, concessions and retail rebates.

These funds have been used to provide more than \$245,000 worth of programming to the school through PFC sponsored events like the Back-to-School Picnic, School Supplies, Lower School Halloween Carnival, support for Athletics and Performing Arts Departments, Grandparents' Day, Senior Day, Banquets for Performing Arts and Athletics, Faculty Appreciation meals, and Graduation. Part of these funds will also be used to supplement PFC activities of the coming school year.

In addition to funding these programs, the PFC made cash gifts to the school totaling \$181,500. This includes \$43,500 in technology upgrades from the 2021 Trek for Teck, plus \$138,000 that is being used to provide various items to the school. We will be contributing to the main campus classroom additions, improvements to the RLP campus fieldhouse and athletic facilities, the renovation of the faculty lounge, and the school's Endowment Fund.

We are excited to announce next year's slate of Officers: Shelley Shook, President; Brooke Scruggs, Vice President; Amanda Dickstein, Treasurer; Kellie Armentrout, Secretary; Angela Degeyter, Parliamentarian; and past Presidents, Lydia Perry and Andrea Johnston.

As a parent or guardian of a current Lakehill student, PFC dues are included in the school fee, and you are automatically a member. There are volunteer opportunities throughout the year, and our school could not run without the help of involved parents! A list of volunteer opportunities can be found on the school's website: <http://www.lakehillprep.org/parents/parent-faculty-club/programs/>

With so many programs, we are hopeful that we offer something that fits your time and interest. Throughout the year, the various committee chairs, as well as room parents, will recruit volunteer help through Sign-Up Genius. Additionally, parents interested in volunteering can reach out to their class parent or contact me directly.

We wish you a happy, safe and rejuvenating summer, and we look forward to seeing you in August!

With warm regards,

Shelley Shook  
PFC President
