

LAKEHILL

PREPARATORY SCHOOL

Lakehill Preparatory School guides motivated students to learn with curiosity, lead with confidence, and serve with compassion. Our challenging and nurturing educational community inspires students to become collaborative problem-solvers who live with integrity.

Lakehill Preparatory School
2720 Hillside Drive
Dallas, Texas

Position Title: 5th and 6th Grade Science Teacher

Primary Purpose:

Lakehill Preparatory School seeks a full-time middle school 5th (integrated science) & 6th grade (earth) science Teacher for the 2023-24 school year. A science teacher can expect to teach 4-6 full-year courses and work in support of the department by performing other duties related to teaching and curriculum development. The teacher can expect to split their time evenly between 5th and 6th grade classes with a possibility of teaching another middle school elective (robotics, engineering, makerspace, etc). We are interested in someone who is able to teach middle school integrated and earth science, with an educational background enabling them to teach other STEM and science-specific courses as needed. Lakehill is committed to diversifying its faculty and encourages applicants who are committed to bringing a diversity, equity, and inclusion lens to their work.

Lakehill Preparatory School guides motivated students to learn with curiosity, lead with confidence, and serve with compassion. Our challenging and nurturing educational community inspires students to become collaborative problem-solvers who live with integrity.

Ideal candidates should have the following:

- Bachelor's degree in science, science education, or related field (biology/life sciences, ecology, environmental or earth science).
- Knowledge base and comfort with teaching a variety of Science courses, including Earth science and other STEM related offerings
- Demonstrated interest in, commitment to, and ability to work with students of varied academic levels and interests
- Willingness to participate in interdisciplinary and innovative curricular design and partnership
- Demonstrated ability to integrate classroom technologies to enhance teaching and learning
- Understanding and practice of proper lab safety techniques and principles

To apply for a teaching position, please email a resume and cover letter to Lindsey Lenamond, Executive Assistant to the Head of School.
